CITY CLERK

I am filing an Complaint of Harassment and Violation of my Constitutional Right under 1983 Title 42 against the District attorneys office in Ellsworth Maine and animal control for Verona Island. I Have filed an Grievance against A.D.A Heather staples for numerous Violations with the Board of Overseers. One of the issues is they keep trying to force me to take a plea deal and withhold evidence from me for as long as they possibly could to keep me in jail when that evidence will prove I did not commit the crimes I am accused of. After I filed the Grievance the District attorneys office Has advised animal control to start summoning me for dog at large to add more stress and try to force me to take a plea and to get back at me for filing such a grievance on one of their A.D.A's. With that said I have been in jail for over 15

months I Have no control over anything on the outside this is just another way to Harass and ~~cause~~ ^{cause} ~~unnecessary~~ stress for me and my family at a very stressful time in our lives Thank you for your time on this matter.

also maybe point me in the direction of a Federal Attorney that could help me with these matters
